KWFT CSOP TRUST

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the trust accountability statement for each financial period which shows a true and fair view of the financial transactions of the trust for the period and the trust balance for that period. The trustees are also required to ensure that the trust keeps proper accounting records which disclose with reasonable accuracy at any time the financial position of the trust. The trustees are also responsible for safeguarding the assets of the trust.

The trustees are responsible for the preparation of the trust accountability statement that gives a true and fair view in accordance with the accounting policies described on the notes to the trust accountability statement, and for such internal controls as the trustees determines are necessary to enable the preparation of trust accountability statement that is free from material misstatements, whether due to fraud or error.

The trustees accept responsibility for the annual trust accountability statement, which has been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with the trust deed. The trustees are of the opinion that the trust accountability statement gives a true and fair view of the financial affairs of the trust. The trustees further accept responsibility for the maintenance of accounting records which may be relied upon in the preparation of the trusts accountability statement, as well as adequate systems of internal financial control.

The trustees also accept responsibility for:

- (i) designing, implementing and maintaining such internal control as they determine necessary to enable the presentation of financial statements that are free from material misstatement, whether due to fraud or error;
- (ii) selecting suitable accounting policies and applying them consistently; and
- (iii) making accounting estimates and judgements that are reasonable in the circumstances.

Having made an assessment of the Trust's ability to meet its obligations, the Trustees are not aware of any material uncertainties related to events or conditions that may cast doubt upon the Fund's ability to meet its obligations.

The trustees acknowledge that the independent audit of the financial statements does not relieve them of their responsibilities.

Approved by the board of trustees on 19th sept. 2022 and signed on its behalf by:

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF KWFT CSOP TRUST

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of KWFT CSOP Trust which comprise the trust accountability statement and a summary of significant accounting policies and other explanatory information set out on pages 7 to 9.

In our opinion, the financial statements of KWFT CSOP Trust for the year ended 31 December 2020 are prepared, in all material respects, in accordance with the financial reporting provisions of KWFT CSOP Trust trust deed.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Trust in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), together with the ethical requirements that are relevant to our audit of the financial statements in Kenya, and we have fulfilled our ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Trustees for the financial statements

The Trustees are responsible for the preparation of the financial statements in accordance with the financial reporting provisions of trust deeds, and for such internal control as the trustees determines are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Trust's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF KWFT CSOP TRUST (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner responsible for the audit resulting in this independent auditor's report is **CPA Fred Aloo, Practising Certificate No. 1537.**
